

CALIFORNIA REGIONAL WATER QUALITY CONTROL BOARD
CENTRAL VALLEY REGION

ORDER NO. R5-2018-_____

RESCINDING WASTE DISCHARGE REQUIREMENTS

The California Regional Water Quality Control Board, Central Valley Region, finds that the Board adopted the following Order, which is no longer applicable for the reasons shown:

Waste Discharge Requirements Order 5-00-132, adopted on 16 June 2000, prescribes requirements for the discharge of wastewater from the Evergreen Lodge Wastewater Treatment Facility (Facility) located at 33160 Evergreen Road, Groveland in Tuolumne County, approximately 20 miles east of Groveland, and five miles north of Highway 120. The Facility is owned and operated by Evergreen Lodge Destination Holdings LLC. (Discharger). On 25 October 2017, the Discharger submitted Facility documents and a Form 200. The documents indicated the Facility treats domestic wastewater from 88 guest cabins, 16 tent campgrounds, a restaurant, a tavern, a general store, a swimming pool, a commercial and staff laundry, an onsite staff housing, and a staff cafeteria. The annual average wastewater flow is roughly 8,733 gallons per day (gpd). The Facility utilizes 40 septic tanks, two grease traps and 5,500 linear feet of leach field. Central Valley Regional Water Quality Control Board staff determined that the Facility can be regulated under State Water Resources Control Board General Order 2014-0153-DWQ *for General Waste Discharge Requirements for Small Domestic Wastewater Treatment Systems*. A Notice of Applicability was issued to the Discharger on 14 August 2018, assigning General Order and Monitoring and Reporting Program No. 2014-0153-DWQ-R5272 to the Facility. Therefore, it is appropriate to rescind Waste Discharge Requirements Order 5-00-132.

IT IS HEREBY ORDERED that the above waste discharge requirements Order are rescinded.

I, PATRICK PULUPA, Executive Officer, do hereby certify the foregoing is a full, true, and correct copy of an Order adopted by the California Regional Water Quality Control Board, Central Valley Region on 6/7 December 2018.

PATRICK PULUPA, Executive Officer
